

EU-China exchange on building energy efficiency technologies and policies

DATE: Morning, March 29, 2014

VENUE: Beijing International Convention Centre

MODERATOR: Chun Xia-Bauer, Wuppertal Institute for Climate, Environment and Energy (Wuppertal Institute)

Time	Topic		Speaker	Organisation/Position
8.30 -8.40	Opening Speech		Wu, Yong	Building Energy Efficiency and Science and Technology Division, MOHURD/ Inspector
8.40 -9.25	Building energy efficiency technologies, a European perspective	Energy efficient buildings and green buildings	Moore, Christopher	Wuppertal Institute /Research Fellow
		How to design energy efficient buildings	Moore, Christopher	Wuppertal Institute /Research Fellow
9.25 -9.50	Reflections on the development of building energy efficiency in China		Xie, Dan	Smart and Eco-Center, Shouchuang jingzhong Investment Company/Deputy Manager
9.50 -10.45	bigEE - "bridging the information gap on Energy Efficiency in buildings"	9.50 -10.05: bigEE – "bridging the information gap on Energy Efficiency in buildings"- An Introduction	Thomas, Stefan	Wuppertal Institute/Director of Research Group "Energy, Transport and Climate Policy"
		10.05 – 10.20: How bigEE could support energy efficiency in China	Thomas, Stefan	Wuppertal Institute/Director of Research Group "Energy, Transport and Climate Policy"
		10.20 – 10.35: bigEE China country project: status quo and future development	Tan, Zhichao	CSUS-IBR
		10.35 – 10.45: Q&A		
10.45 -11.10	How policies boost (ultra)low energy buildings in Europe		Thomas, Stefan	Wuppertal Institute/Director of Research Group "Energy, Transport and Climate Policy"
11.10 -11.35	Research on energy consumption quota of large-scale public buildings in Shenzhen City		Xu, Xiaowei	Shenzhen Institute of Building Research/Deputy Chief Engineer
11.35 -12.00	Impacts of human behaviour on design and operation of building energy efficiency		Yan, Da	School of Architecture, Tsinghua University/Professor
<ul style="list-style-type: none"> • Each 25-minutes presentation includes a 5-minutes discussion. • Simultaneous Interpretation is provided. Earphones are available for rent. • Tea break is in parallel with the panel session. 				

Note: The agenda above may be subject to minor changes, please refer to the final agenda provided on 29.Mar.
